DESCRIPTION

The Argan Oil Anti-ageing Face Mask by Aurodhea is formulated to restore tone and firmness to the skin, counteracting sagging skin and giving the face a younger and fresher appearance. Its formula deeply moisturises and has an anti-ageing action thanks to its special mix of ingredients. Argan Oil is a natural antioxidant and exerts a protective and nourishing function. Jojoba and GrapeSeed Oils reduce wrinkles on face and neck thanks to their strong anti-ageing action. Hyaluronic Acid makes the skin supple and firm, while Shea Butter deeply nourishes and regenerates the skin. Finally, Goji Berry extract also has an anti-oxidant action, reducing wrinkles and giving radiance to the skin.
