DESCRIPTION

Aurodhea Argan Oil Liquid Soap is particularly suitable for dry and sensitive skin. Its nourishing formula cleanses the hands without altering their hydrolipid balance and weakening their natural defences — also thanks to the emollient properties of Almond Oil. In addition, the antioxidant action of Argan Oil and Vitamin E maintains your skin elasticity and fights the signs of ageing. Enriched with Aloe Vera, this soap soothes skin rashes and cracking caused by sun, wind, pollution and the use of harsh detergents. Its regular use restores softness and radiance to the skin, leaving your hands smooth and visibly healthier. DERMATOLOGICALLY TESTED NICKEL TESTED CPNP REFERENCE: 2887585
