DESCRIPTION

GLITTERAIN by Aurodhea is a shimmer spray that gives your skin a touch of pink glitter and an irresistible scent of Coconut. Enriched with Aloe Vera and Menthol, it is ideal for refreshing and soothing the skin during summer. Thanks to the moisturizing, repairing and regenerating properties of Hyaluronic Acid, this product helps restore the skin's natural hydrolipidic film. A soft and natural shimmer effect: discreet and elegant in the shade, more noticeable, iridescent and glamorous under a direct light source.

Let's shine!
