DESCRIPTION

The Aurodhea Bi-phase Regenerating Hair Spray is specifically formulated to moisturise and protect brown hair from sun damage. Its use improves hair structure, manageability and shine, performing an anti-frizz action and a "primer effect" on the hair. The product is enriched with the patented GLOSSY DEEPTM complex, an active mix of Walnut Husk Oil and Tamarind extract, which strengthens hair, intensifies and protects its brown colour and also has a softening, astringent, film-forming and soothing action on the hair cuticles. Besides enhancing the natural beauty of hair, this sun spray is the ideal ally to protect it from the damage caused by sun rays: the sun filters contained in the formula protect it from UVB rays, while Jojoba Oil and Vitamin E perform an antioxidant action. Enriched with Hyaluronic Acid and Aloe Vera, the Aurodhea bi-phase spray helps to rehydrate and achieve disciplined, flowing and shiny hair. The product is not suitable for blond or light-coloured hair. DERMATOLOGICALLY TESTED

HOW TO USE

Shake before use. Apply sparingly to damp or dry hair 2 to 5 times as needed, working from mid-lengths to ends and towel drying. Use during and after sun exposure, at the beach or swimming pool. Reapply after swimming. Not for blond or light-coloured hair.

WARNING

Not for blond or light-coloured hair. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources. Keep out of the reach of children. Product for external use only, do not ingest. If in eyes, rinse thoroughly. Avoid excessive sun exposure even if using a protective product: prolonged exposure poses a health risk.

INGREDIENTS (INCI)

Aqua, dicaprylyl ether, isopropyl myristate, simmondsia chinensis seed oil, tamarindus indica fruit extract, juglans regia shell extract, sodium hyaluronate, aloe barbadensis leaf powder, citrus aurantium flower oil, tocopheryl acetate, citrus aurantium peel oil, tocopherol, helianthus annuus seed oil, ethylhexyl methoxycinnamate, propylene glycol, glycerin, magnesium sulfate, tetrasodium glutamate diacetate, hexamethylindanopyran, hexyl cinnamal, dimethicone, lactic acid, tetramethyl acetyloctahydronaphthalenes, hydroxycitronellal, sodium benzoate, parfum, potassium sorbate, rose ketone, benzoic acid, ascorbic acid, dehydroacetic acid, citric acid, methyl salicylate.
