DESCRIPTION

The Aurodhea Tanning Oil with St. John's Wort and Walnut Husk is your ally for an intense, golden tan. Its advanced formula stimulates tanning without damaging the skin. Walnut Husk Extract not only helps the skin tan, but also provides a protective action. As a natural "reservoir" of carotene and flavonoids, it reacts with keratin in the epidermis to form a brown pigment complex. St. John's Wort, known for its soothing properties, contributes to a golden tan while keeping the skin healthy and velvety. Argan Oil, Vitamin E and Sweet Almond Oil have a nourishing, antioxidant and elasticising action.

DERMATOLOGICALLY TESTED

CPNP REFERENCE: 2460963

HOW TO USE

Apply to the skin during sun exposure. Reapply several times daily, avoiding exposure during peak hours.

WARNING

Avoid release to the environment. Avoid falls, shocks and inappropriate handling that might cause product leakage. Store in a cool, dry place away from heat sources. For optimal tanning and protection, apply sunscreen first, then follow with the tanning oil.

INGREDIENTS (INCI)

Prunus amygdalus dulcis oil, parfum, helianthus annuus seed oil, juglans regia shell extract, hypericum perforatum extract, argania spinosa kernel oil, tocopherol, helianthus annuus seed oil, coumarin.

PAO DEADLINE

6 Months
