DESCRIPTION

The Aurodhea Hair Sun Protection Spray is specifically formulated to protect the hair from chlorine and sea salt thanks to the anti-sea salt and anti-limescale action exerted by the patented SHINEJUICE™ complex. With extracts of grape, apple, lemon and wheat bran of Italian origin, this complex helps remove calcium ions that accumulate on hair, thus providing an anti-limescale and anti-salt effect. Enriched with a blend of four UVA-UVB filters, the product ensures thermal protection, making it the ideal ally to carry with you to the beach or swimming pool. Characterised by a non-sticky and lightweight texture, the product smoothes, adds shine without being greasy, helps strengthen the hair, tames frizz, and helps preserve color vibrancy. Enriched with Almond Blossom Water, this spray moisturises the hair, leaving a pleasant scent. DERMATOLOGICALLY TESTED

HOW TO USE

Shake before use. Apply sparingly to damp or dry hair 2 to 5 times as needed, working from mid-lengths to ends and towel drying. Use during and after sun exposure, at the beach or swimming pool. Reapply after swimming.

WARNING

Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources. Keep out of the reach of children. Product for external use only, do not ingest. If in eyes, rinse thoroughly. Avoid excessive sun exposure even if using a protective product: prolonged exposure poses a health risk.

INGREDIENTS (INCI)

Aqua, pyrus malus fruit extract, citrus limon fruit extract, triticum vulgare bran extract, vitis vinifera skin extract, prunus amygdalus dulcis flower extract, tartaric acid, sodium cocoyl amino acids, ethylhexyl methoxycinnamate, butyl methoxydibenzoylmethane, octocrylene, decyl glucoside, potassium olivoyl hydrolyzed wheat protein, bis-cetearyl amodimethicone, ceteareth-25, ceteareth-7, c12-15 alkyl benzoate, ethylhexylglycerin, trideceth-9, PEG-40 hydrogenated castor oil, PPG-26-buteth-26, glycerin, parfum, phenoxyethanol, bis-ethylhexyloxyphenol methoxyphenyl triazine, tetrasodium glutamate diacetate, sodium benzoate, potassium sorbate, citric acid.
