DESCRIPTION

LOLLILIP "Spiced Cookie" by Aurodhea is a nourishing, regenerating, and protective lip mask, ideal to relieve dry, chapped skin. Its creamy, enveloping texture absorbs quickly, making it perfect also as a lip balm. It provides instant comfort and irresistible softness, enveloping the skin with its sweet, warm gourmand fragrance. The formula is enriched with the exclusive LYPCURE™ complex, a blend of oils and butters designed to deeply nourish and promote the skin's natural renewal process. Ceramides contribute to cell regeneration and strengthen the skin's protective barrier, while Beeswax creates a delicate protective film that shields the lips from wind, cold, and pollution, preserving moisture over time. Vegetable Squalane, with emollient and soothing properties, provides instant relief even to the most sensitive lips. Finally, Rosehip Oil and Vitamin E exert an antioxidant and restructuring action, improving skin elasticity and tone.
